## 5-Day Franco-Indian Advanced Training in Laparoscopic & Robotic Surgery for Deep Infiltrating Endometriosis

 **Date: 26th April– 2nd May 2026**

 **Location: Bordeaux, France**

Jupiter Medical Events presents an exclusive 5-day intensive training program in Laparoscopic & Robotic Surgery for Deep Infiltrating Endometriosis, led by Prof. Horace Roman, Dr. Benjamin Merlot and their expert team.

- ◆ Designed for Advanced Surgeons from India looking to enhance their expertise in complex endometriosis surgeries involving the bowel, rectum, bladder, diaphragm, and ovaries.
- ◆ Limited to just 12 participants for a hands-on learning experience.
- ◆ Daily live surgeries across two operating theatres, complemented by expert lectures and in-depth discussions.
- 🚫 Eligibility: Open only to advanced gynecological endoscopic surgeons.

 **For more details, contact Jupiter Medical Events.**
