ABOUT THE WORKSHOP:

Indo-German Workshop on Advanced Gynecological Endoscopic Surgery: The Indo-German Workshop on Advanced Gynecological Endoscopic Surgery is an intensive international training program designed to provide participants with the latest advances in minimally invasive gynecologic surgery.

Hosted at Klinikum Aschaffenburg-Alzenau, Germany, this immersive 7-day educational experience combines live surgery, hands-on training, robotic surgery exposure, expert lectures, and interactive discussions led by internationally renowned faculty.

Participants will gain practical insights into advanced laparoscopic procedures, endometriosis surgery, gynecologic oncology, urogynecology, imaging, artificial intelligence, and emerging technologies shaping the future of women's healthcare.

Why Attend?

- ✓ Live Surgical Transmission from Operating Rooms
- ✓ Hands-On Laparoscopic Suturing Training
- ✓ Robotic Surgery Training
- ✓ Interactive Case Discussions
- ✓ International Faculty & Mentorship
- ✓ Latest Evidence-Based Surgical Techniques
- ✓ Networking with Global Experts
- ✓ Certificate of Participation

EXTENSION OF TRAVEL:

Participants wishing to extend their stay in Germany or visit other European destinations before or after the workshop are requested to indicate this in the Registration Form and inform Ms. Nuzat Ali Sardar (Jupiter Medical Events) at the earliest for travel planning and coordination assistance.

PAYMENT & VISA ADVISORY:

- All visa-related expenses, including visa fees, VFS charges, premium services, appointment fees, insurance, and third-party assistance charges, are payable separately by the applicant.
- Jupiter Medical Events provides coordination and guidance support only and has no authority or influence over visa decisions. Visa approval, refusal, and processing timelines remain solely at the discretion of the respective Embassy or Consulate.
- The mandatory registration fee of INR 40,000 is applicable per individual, including accompanying non-participants, as coordination, documentation support, travel assistance, communication, and administrative services are provided separately for each registered person. Accordingly, no waivers, discounts, concessions, family rates, package rates, reductions, or exceptions can be offered.

REFUND POLICY:

Due to advance commitments with the hospital, faculty, training facilities and service

providers, all payments made towards the workshop are strictly non-refundable.

No refund, reduction or credit shall be applicable for:

- cancellation by the participant
- Partial attendance
- Late arrival or early departure
- Missed sessions
- Visa refusal or delay
- Travel disruptions
- Unused services

TRAVEL ADVISORY:

Participants are encouraged to complete registration at the earliest. Workshop seats are limited and international airfares generally increase closer to the departure date.
